*Welcome Letter from  
Executive Director  
Lynn Tang*

*Dear UMFF attendees,*

*Welcome to the 2015 Universe Multicultural Film Festival (UMFF) in the beautiful Palos Verdes Peninsula. All UMFF activities will be held in three venues -- Promenade on the Peninsula, RHCC Community Center and Peninsula Center Library, all within walkable distance of each other.*

*The UMFF celebrates cultural diversity, creativity, tolerance and global unity in its exhibition of excellent films and screenplays. We showcase films and scripts that are rich in storytelling, strong in character development, and hold deep roots in diverse culture.*

*This year, the UMFF will screen 72 official selections from 26 countries, including USA, UK, France, Germany, Romania, Greece, Austria, Slovenia, Ireland, Brazil, Kenya, Australia, New Zealand, Japan, Singapore, China, India, Israel, Iran, Kuwait, Russia, Spain, Switzerland, Sweden, and Ukraine. Attendees may choose to view from a wide variety of features, shorts, documentaries, and animations. This special event will also be a place where international film delegations share the screen with young and soon-to-be-known talents. Other than film screenings, attendees may participate in industry panels, cultural events, film Q&As, film receptions and Galas. Filmmakers are welcomed to meet here with potential partners and share their deal making tips and insights.*

*On behalf of the entire UMFF committee, we thank you for being a part of our festival and participating in the cultural exchange. We thank the sponsors, supporters, and volunteers who make this event possible. With your generous support, new friendships and lasting memories have formed.*

*Sincerely,*

*Lynn Tang*
